

V. ANCIENT AUSTRALIA

Check the following web page out : <https://view.genial.ly/63fe77c853e8aa00112c01ca/interactive-content-history-breakout>

Australia timeline

1) Using the information you've found out in the Genially activity, and doing some researches (you can also use the [National Museum of Australia's timeline](#), fulfill the second column with the dates corresponding to each event mentioned. Then, using an appropriate scale, place them on the timeline (you can also do it on a timeline you make using [Tiki-Toki](#), [Frisechronos](#)...)

Archaeological evidence of first people on the Australian continent	
Earliest known Australian rock art	
Earliest evidence of the boomerang in Australia	
Separation of Tasmania	
Cook claims Australia	
The first fleet arrives at Sydney Cove
